

Milagros Aleida Morales

February 10, 1969 - October 20, 2022

On Thursday October 20th, 2022, Milagros Aleida Morales, A beloved and accomplished Mother, Daughter, Sister, and Teacher to many, went to be with The Lord. She was surrounded by family and friends. Milagros excelled from a young age and received outstanding scores from Pace University, earning a Bachelor of Science in Elementary Education. Milagros would also achieve excellence once again earning a Master of Education degree in Educational Leadership from the American College of Education. She also held a Certification as a Master Catechist in addition to her Elementary Education certification from the state of Florida. She spent two years working as a second-grade teacher in the public schools in New York City. Milagros then prestigiously and selflessly served as one of St. Margaret Mary's finest first grade teachers for 17 years, before accepting a position as the Assistant Principal of St. Mary Magdalene Catholic school for another 9 years. Milagros had a true gift for educating and leading the children and community she served so loyally. She was dearly loved and an inspiration to her family, students, and coworkers. She was a beautiful person on the inside and out. She was respected by her students and coworkers, and looked up to as role model. She is survived by a strong beautiful family; her two dear children, Brandon Febo and Eliana Febo; her loving parents, Lewis and Norma Morales; and her close siblings, Raymond Morales and Vanessa Morales McCann.

A celebration of Milagros's life and the profound impact she had on us all is planned for October 28th at 6pm for her wake at St. Mary Magdalene Catholic Church in Maitland, FL. The funeral service will be held October 29th at 11am at St. Mary Magdalene Catholic Church. Flowers may be sent to the church. In honor of her legacy as an educator, the family asks that you bring a backpack filled with school supplies to donate to a child in need in our local community. We also ask that in remembrance of the bright light Milagros was in our lives, that you wear light color attire to the memorial services.

“ I remember the first time I met Millie. It was the weekend of her quinceañera and it was honestly love at first sight. Her family came to Ohio that summer and we became fast friends. I drove back to New York with them and spent a few weeks with them. We had so much fun. It was like having the best big sister. We didn't remain in touch, but I think of memories from that week often. Sending love to you, Millie and your family.

My beautiful friend. I can't believe you're gone. So grateful for our many years of friendship - so many laughs and a few tears along the way. Words can't express how much I'll miss you.

“ This picture was taken at the front of Millie’s classroom at the end of her last year as a teacher at St. Margaret Mary. The camaraderie we all shared is evident in the picture. Millie was our team leader and this is the kind of team she helped to create. She was an excellent teacher and team leader, a caring friend, and a woman of strong faith, but most of all, she was a ray of sunshine! I can’t think of Millie without hearing her laugh. She was spunky, too! And never more so than when she was standing up for one of “her kids”.

To me, Millie was a friend who brought light and love. I miss that. We all do. I’ve no doubt that she flew straight to heaven, where she’s watching over children and all of us. I know that isn’t much comfort to her family, but I believe it wholeheartedly. And without a doubt, when she arrived, God wrapped his arms around her and said, “Well done, good and faithful servant.”

I’m thankful to have been a part of Millie’s life and to have been blessed to call her my friend.

“*I will miss you and love you always. We will be "ok". I will look back on our 20 years of friendship and remember the laughs ... the real big belly ones. I will live on being sassy as you would expect me to. AND I will live like we talked "You can't wait until life isn't hard anymore before you decide to be happy," Nightbird.
