“ *My sweet mother-in-law! We will miss her dearly. But know she is with the Lord and her loved ones. No more confusion, no more worries and no more pain.*

Her three children Craig, Sue and David were by her side when she left this world. Her innocence and laughter filled the room. And man could she jitter bug. She loved music and to harmonize with her siblings was the cat's meow!

She loved her children and family. Always wanting to know if every one was

Keeping in touch with each other.

I was so fortunate to have her in my life for 15 1/2 years. I will always love her for the rest of my life and for blessing me with her eldest son to love. RIP Mama ❤️
