“ I was lucky enough to be friends with Mil and Lee Dressner in the 1970's when we all lived in Sparta, Illinois. They were more like family than friends, to my two young boys they were aunt Mil and uncle Lee. I loved them both very much.

“ Mildred was Mr Johnson's executive secretary when I first came to Dr Phillips, Inc., downtown Orlando in 1982. She was a very efficient person and dedicated to the Dr Phillips Organization. These past few years Mildred and I went out to lunch in her neighborhood quite often. She was as sharp as a tack and I always enjoyed listening to her telling about the past days at Dr Phillips. She was a good friend and I shall miss her.

“ *I worked with Mildred for several years before she retired from Dr. Phillips Charities. I remember her fondly and am saddened by her passing. I recall her love of reading and cats. Although I did not keep in touch with her except for exchanging cards at Christmas and the rare phone call, I will miss her. My thoughts and prayers go out to her family.*
