“ *Millie was always nice and welcoming to the kids in the neighborhood . She was a good friend to my Mom when the Howards lived in Louisville. I often thought about Donna and her family . I am surprised to hear they moved to Pittsburgh as my own daughter is a Pitt Alumni.
You were blessed with a good mom. My condolences on her passing

“ *Tish Donze posted a condolence Millie was such a bright light to our Associates in Pittsburgh. She was in my small faith sharing group and enjoyed cooking for our dinners. Her faith was strong and growing. She also volunteered at Providence Connection as a receptionist and we loved having her come. She was a delight to be around. Sending prayers, blessings and love to her family who she cherished.*

“ *Jeff Jacob posted a condolence Millie will forever be part of the Jacob Family! I can't think of my youth without thinking of her, Jim, Nita, Harry, Barbara and Glen with my folks as they spent hours laughing, drinking and having a great time. I am the man I am today due in part to the influence of all of them.
May she rest in peace, may her memory be eternal and may she now have an eternity of good times and smiles with "the old gang".
