“ I dont want to leave any blank pages where you are concerned mami. I have an obituary page with tribute.com active with coments, i have a blog i created in your memory and i totally forgot about the Funeral homes page that they dedicated to all who had services held there. I will pass on to other so they can share more loving comments about the beautiful person you were. I miss you tremendously and wish i could hug you every day. So, a big hug and kiss to you now.
