Morgan Elise Harrelson, age 35, of Winter Park FL. passed away on May 14, 2026. Morgan was born on July 3, 1990 in Orlando, FL, the daughter of Margaret Griffin Harrelson and the late John Douglas "Doug" Harrelson.

Of those that knew her, Morgan lived her life on her own terms. Despite the struggles and adversities, her kindness was displayed to everyone she met. Her smile was genuine and infectious. Her creative side came out in so many ways; drawing, coloring, painting and gardening. This gave her a sense of peace. Morgan was more than her addiction, she was laughter and kindness, she was everything in between the chaos.

She will be deeply missed by family and friends, and all who had the privilege of knowing her.

Your battle is over, you are finally home.

Let not your heart be troubled. In my father's house are many mansions. I go to prepare a place for you, that where I am, there you may also be.

John 14:1-3

Private Celebration of Life will be held at a later date.

“ *Morgan was always pleasant to me when I saw her. She and her Mom were there when my daughter passed away 10 years ago, and put the entire memorial service together for me and my family. I'll never forget them for their generosity and love. May they both be together again in heaven. Love you Margaret, Morgan and Emilee.*

“Morgan was my cousin and she had so many wonderful qualities. She was a beautiful, funny child who grew into a beautiful mother. She wanted something different for herself, but didn't know how to stop the cycle she was in. I will always remember her as that bright eyed curious little girl with blonde hair. Rest easy, Morgan ❤️
