“ *I would like to start with our condolences to the entire family may you all find the strength to go on, know you are in our thoughts and prayers ,we wish we were closer to give more support. My fondest memory of Mya was when my Godmother Evelyn, Evy and her two beautiful little daughters came to visit me in Orlando years ago. Mya had such a pretty smile and was very sweet not shy at all 😊 ,she spoke as if she was always around me and even called me Titi , it melted my heart then. There was definitely a brightness to her even that young. I will treasure this memory always .*

*RIP Maya 🙏😭 May you watch over your family and become their bright guardian angel.*

*Love Debbie and Family*

“ *Mya I can remember so many great memories shared but the most memorable was when you all came to NY to spend the 4th of July with the whole family. We had so much fun and seeing you grow up , was and will be such a wonderful memory, seeing you turn into a beautiful, loving and caring young lady. I will truly miss you calling me Titi..made me proud and honored. Evy, Evelyn, Kayla, Jayden and Freddy, I cannot imagine what you are all feeling at this point, shattered..yes, May God give you all the strength to carry on and give you peace of mind. Love you all so much. Take care and may Mya RIP. Feeling soooo sad and hurt for me and for you all. God bless*
