“ I worked with Nancy at the City of Winter Springs. We shared many many lunches and fun conversation. Even though I heard Nancy's stories many times, she had that gritty humor that made them laughable each time told. She loved her family. She was a great friend. I will miss you, Nancy

Nancy and I worked together at City of Winter Springs for many, many, many years. She was a very unique person. She was fun loving, caring and had a great sense of humor. I have a lot of great memories that I will cherish. When a new restaurant opened in town, she was there! Just ask Nancy, she was the food critic. I was HR, so she would always come into my office with questions. She was a busy body. She would say "I know you can't tell me, but I'm going to ask you anyway." To her children, grandchildren and family she loved you dearly. My deepest sympathy, I miss her already God Bless You!

Nancy and I worked together at City of Winter Springs. A special lady who always had a great sense of humor and was admired by all that she touched. In November, we got together and talked and laughed over a great pot of coffee she made for me. My deepest sympathies are with her children and family. RIP Nancy. You will be dearly missed my friend. Nancy was a burst of energy and intellect when hired by the Winter Springs Police Department. She made a big difference with her peoples personality and willingness to learn with adjustments to change. I say to the family you have my utmost of sympathy and she was a brave warrior. I enjoyed the time i spent with her. I remember the joy she expressed at the birth of her first grand (Hannah) she was a proud bragging grandma. I will continue to pray for the family. Much Love To You All. Ms Ellen Simpson
