“ Dear Bill and Family,

*I did not have the pleasure of working with Nancy at the Society for Human Resource Management (SHRM). She had already left SHRM before I started in my role as the Field Services Director for the SWC Region, in 2009. I have heard so many wonderful things about Nancy and I know that she was dearly loved by her family and friends, and that she made the world a better place for all those who were fortunate to know her.*

*My thoughts and prayers are with you at this difficult time. May your faith and beautiful memories bring you comfort and peace.*

*With deepest sympathy,
