“ A true friend that will sorely be missed (her kind and caring heart and very dependable). The love that she expressed for her family was undeniable, as she would speak of them her face would light up. Although I will miss her God has truly gained angel.

*I will miss you Louise*

“ I was new to the Y and Nancy was the very first person in the aqua fit class to introduce herself and welcome me. I always looked forward to class and talking to Nancy. She always came in with a smile and her face would light up even more when she talked about her granddaughters or when sharing recent pictures of them. I will miss her friendship and kindness but grateful for our friendship.

“ God now has a sweet Angel in heaven with HIM. Nancy was such a wonderful friend. To her precious family, I know your hearts are grieving but know she loved each one of you. when you feel sad remember all the wonderful memories you shared with her. “ Nancy came into my life when Dave my son started dating her daughter Michelle. Dave moved from the UK so was alone in a new country and Nancy and Bob soon became his "foster" parents they opened their hearts and home to not only him but his extended UK family. We all spent many happy celebrations thanks in no part to Nancy's generosity of heart and spirit  
They came over to Wales before heading on a European holiday and cruise so I got to repay some of her hospitality. We had weekends at the beach with Michelle relaxing in the sun getting a tan and going for special meals. I was also included on a cruise to the Virgin Islands and Bahamas which was fantastic and we had lots of laughs together. Nancy will be sorely missed by all her family and friends but we all have our special memories which no one can take from us. RIP 🙏💔
