

## Mrs. Naomi Lynette Selby

September 4, 1944 - November 26, 2013

Naomi Lynette Selby, my soul mate, my precious wife of 15 years went to be with her Lord and Saviour November 27, 2013. The memories we shared will forever dwell in my heart, as the pain and suffering she will no longer endure. As many knew her and admired the wonderful waitress she was, working at the Golden Lamb & Jakes Place, I'll always remember that first cup of coffee she served me as we became friends and then part of my life, my wife. As my heart aches and I feel lost, missing her presence every day, the wonderful meals she prepared and the evenings on the back porch, watching the birds & enjoying the fresh breeze after a hot summer day. I know we will be together again some day. I'll always love you Lynette, rest in peace. Love your Husband Frank A memorial service will be planed in the near future in New York where her immediate family , her son's , brother & sister resides. By Frank Selby.

Arrangements are entrusted to DeGusipe Funeral Home & Crematory, 905 Laurel Avenue, Sanford, Florida 32771. (407) 322-5131.

“ Aunt Lyn - Words cannot express how much you will be missed. Our family has been very blessed to be so close and share a special bond. You have always been like my 2nd mom and you would refer to me as the daughter you never had. You will be missed each and every day. But I am grateful that you're no longer suffering. I know that you will still be with us. Love you with all my heart. XOXO

“ *My Lost Love*

*I have only just lost you the pain is hard to bear  
Do I have to go through life knowing you're not there  
Please someone explain to me why you had to go  
are there any reasons I really need to know  
I sit here and remember all the lovely times we shared  
I remember all the talks and laughter we ever shared  
I remember enjoying spending our time together  
I was talking to a good friend the other day  
it was the first time I actually smiled it was all because  
I was thinking and speaking of you  
I spoke of the time you had been off with your friends  
You came home and told me you had bought a piece of land  
Then you explained it was for you and I to live our lives  
My love I now find myself looking at the walls of this place  
Yes it is beautiful but I must say it is very empty because  
My Love is lost  
How my heart longs to find my love  
Even though my heart is empty I know I have to push forward  
Because that is what you my love would want me to do  
Just know that you will always be my love  
I am told the pain will ease in time  
and I will think of you without a tear  
but that will be impossible as I need to have you here  
You are my very world you were my every star  
I will look into the darkness of the night sky to see you near  
Just kiss me softly on the cheek and tell me this is only a dream*

*From your lost love and husband: Frank Selby*
