“ *Aunt Natalie was an amazing woman. Her talent was never ending. She was truly the first "Wonder Woman". When I visited her, she would fill my heart by sharing her stories of her many years that God gave her. Her memory was sharp, making her stories so fascinating. I could spend hours just listening and learning from her. I was so blessed that I was able to attend her 100th Birthday party. It was a FUN party that I will never forget. I love you Aunt Natalie, Nancy (Theisen) McCrabb and Family*
