“ I stumbled across this looking for my stepdad's obituary and I am saddened even more. Nayda was a patient of mine at Seminole Surgical Specialists. She was the cutest and sweetest lady and I always enjoyed seeing her! Sending my condolences to the family.

“ Jimmy, I am so sorry for the loss of your mother. Having just experienced the death of my own mother, I know how you're feeling.

The stories of our lives are written moment by moment - in how we've loved, in the day-to-day things we've shared, and in the many ways we've touched each other's hearts. Hope you find comfort in knowing that your loved one will always be with you and that all you shared together will forever be a part of your life. May all that you shared bring you peace in your time of sadness.
