

Nhuong Tan Huynh

August 1, 1935 - August 20, 2021

Our beloved father, grandfather, great-grandfather, uncle and friend, Nhuong Tan Huynh of Vinh Long, Vietnam, passed away peacefully in his sleep on August 20, 2021 at the age 86.

Nhuong was born on August 1, 1935 to father Luc Van Huynh and mother Nhanh Thi Nguyen. He is the fifth son of nine children.

He served in the Vietnamese Air Force before transitioning to civilian life as an airplane mechanic for Pan American Airways known as Pan Am. As an employee of Pan Am, he was able to travel abroad. He enjoyed his visits to various destinations before meeting his wife, Hong T. Nguyen, with whom he had seven children.

Pan Am provided an opportunity for their employees to move to the United States of America to escape communism before the fall of South Vietnam in 1975. Nhuong took the opportunity and moved his family to America. A picture of Nhuong and his family was featured in Newsweek Magazine in 1975.

Nhuong started a new life in Miami, Florida while working for Pan Am, and eventually for Eastern Airlines. He made sacrifices by working the night shift to be available for his children during the school hours. He worked hard to provide the best life for his family.

He retired and moved to Orlando in 1995. He enjoyed his retirement by spending time with his family including many of his grandchildren going shopping and eating at various restaurants. He will be fondly remembered for his sense of low-key humor, his classic timeless style, and his independent spirit.

Nhuong was preceded in death by his parents, siblings, his former wife, and his youngest son, Hau T. Huynh. He is survived by his children, Truc Huynh, Hung Huynh, Tuyet-Mai Moore, Dat Huynh, Thu-Thao Ayers, Phu Huynh, and Tristine Huynh, his grandchildren and great-grandchildren.

The family of Nhuong Tan Huynh invites you to leave a message of condolence on the Tribute Wall created in his loving memory.

“ I'm married to his daughter Tuyet-Mai. The best memories I have are the Sunday afternoons at his apartment in Winter Park. We helped clean up and usually took him out to lunch and grocery shopping. At times he would start telling me about his childhood in Vietnam and his time in France. He was proud of being able to speak 3 languages. He made me laugh a lot with unique sense of humor. God bless him and may he rest in peace.

“ My former father in law was a sweet man, he accepted me in to his family with love and always made me feel welcomed. He was also a loving grandfather to my children. He will always be in my heart. I am sorry I can't be there but I send you all my love.

“ *Uncle 6, we remembered you as a comely fresh looking young uncle full of energy and enthusiasm who always put the family needs before your wants. Your life exemplified the type of love that did not expect anything in return even a blessing or a thank you from those you gave.*

You will always be remembered for your vibrant personality, your compassion, the joy you brought to others and for the magical power to bring us together.

Sweet memories of uncle 6 will always remain in our hearts endlessly.

Our deepest condolences to our cousins in Florida

Thank you anh Kiet, my dad spoke affectionately about his fun visits to his nephews and nieces. He also shared about the time that you rode in with your moped and all of us come running to greet our big cousin.

“*One of Nhuong’s daughters, “Mai” is married to my youngest son. I always enjoyed being with him on family occasions. He was very personable and could talk about anything. We were only one month apart in age so had many common memories of the world’s affairs. Nhuong was my friend and I will miss him. I offer my condolences to his large family.*

Thank you for your kind words. He always looked forward to your visits and always asked about your well being when I visited with my dad. He admired your independence and vigor for being the same age as he was. Love you ❤️
