“ *The amount of the time that Nick was in my life, he played a big part in it.. God placed him in my path for a reason.. Nick was the life of the party! He always went an extra mile to put a smile on my face... He always made sure I was good before anything.. He was such a strong and hardworking person who didn't allow anything nor anybody to stop him.. when he wanted something he got it, and I ALWAYS admired that from him. But this is life... I will always carry his name higher up than mine... Nick, my love ... we love and we miss you! We will meet again soon... 🕊️☐ NC Forever*
