“ *I first noticed Nora during her noon time visits to the Blessed Sacrament at St. Margaret Mary church. She later invited me to attend the traditional latin mass at St. Thomas More, I had no idea that she was sick as she never complained. She was and is Holy Soul and she be will in our prayers and we ask that she pray for us.

“ Dearest Cunada,

I have more than 40 years of memories which I will treasure and share often.

Your fiery spirit, keen intellect, and wonderful sense of humor are just some of the things I'll miss the most. Oh, how you made us laugh with your astute observations and descriptive language, and ability to poke fun at all topics. And oh how you loved us, calling us “your people”. What a privilege it was to be counted among your people. You supported us, cheering our accomplishments (large or small) and reminding us that you were watching and admiring. It was a joy to be loved by you, my dear Norita.

I am especially grateful for how we shared our grief when Roberto passed – a shock to us both and one we still deal with. We grew even closer after this happened, leaning on each other for support and company. So many long phone calls, so often. You reminded me of how much he loved his children, and you became my outlet when sharing their trials and tribulations. Thank you for loving my children as he did, for supporting me through my grief, and for sharing so many thoughts, suggestions, observations, advice, and memories of our dear Roberto Jose.

Oh, how I will miss you. But with so many years of memories I will continue to talk to you and hear your voice, your laugh, your advice. And I will see you though your children, and dear Jorge who has been your constant companion for as long as I can remember. I look forward to making new memories with all ‘our people’, and will watch your grandchildren grow. I will remind them of how wonderful their abuelita was, and still is in all my memories.

Love always,

Carol (Roberto & Marina’s mom)

“ *I have so many memories of Nora when I grew up next door. She taught me my first Spanish word (leche), and she did my hair just how I liked it for school every morning! We had so much fun together, and I am so very sorry for your loss. I am sending you all my love and my deepest condolences.*

Norita querida, siempre vivirás en nuestros corazones, fuiste un ejemplo de fe y de fortaleza. Un abrazo muy fuerte para Jorge y para los chicos que ella les dé la fuerza para sobrevivir a tu ausencia con el mismo valor y alegría con los que afrontaste tus designios. Estoy segura que ya estás disfrutando de la Gloria del Señor.
