

Nora Jean Trusiak Wilson

July 3, 1959 - October 18, 2021

Nora Jean Trusiak Wilson (1959-2021)

Nora Jean Trusiak Wilson was presented to the Lord on October 18, 2021 after 62 years and 36 years of marriage to her husband Timothy. Nora led a full life and was a devoted and kind person to her husband, family and friends and to our loving cats at home.

Nora was raised in Martinsville, New Jersey and moved to Central Florida in 1977. She attended classes at Florida Institute of Technology (now UCF) and began a career in retail sales, food and beverage, restaurant management and food catering.

In 1983, she met her future husband Tim while working at Errol Estate Country Club. In August 1985, they were married at the Orlando Christian Center (now closed) during Hurricane Elana. The weather broke in time for the ceremony and was well attended even with the inclement weather. Before their marriage, they were “born again” to receive the Lord under the direction of Pastor Benny Hinn. As part of her Christian faith Nora is now under the care and direction of our Lord and Savior, but will always be remembered for her life and the impact she had on others here in Central Florida.

Nora enjoyed athletic activities included softball, tennis and golf. One of the

vows to her husband was to Love, Honor and “eventually shoot par.” Nora was on a winning scramble team and the designated putter of the group so she could hold her own on the golf course.

Nora lived in several locations in the area until Tim and Nora finally moved to their current residence in Apopka in 1990. Nora was very supporting of her husband and would often attend golf tournaments and also be the "cart caddie" when walking was required for the contestants. After their marriage, Tim and Nora were members of Errol Estate Country Club until 1999.

Nora was fond of animals particularly cats. Over the years, there were 11 indoor cats and many feral cats outdoors that were cared for. Other animals including raccoons, possums and bears would visit the back lanai for an evening feeding. Current cats are Patch, Cheesecake, Fletch, Joy, Sammy and momma Jackie. Nora's life at home was centered around the love and affection to our kits.

Nora's interests and talents included gourmet cooking, organizing for the holidays, particularly for the Christmas season and providing gifts and surprises for spouse, family and friends. Nora always had to have a live Christmas tree and showcased a variety of ornaments and tree decorations including a Disney ornament for each year since 1985, bubble lights and a wide collection of ornaments that told a story of places visited to be remembered. One year, there were 5 Christmas trees in the house and on the lanai to celebrate the holiday season.

Recent trees were Concolor firs which have a citrus scent.

Nora also enjoyed fireworks as her birthday was on July 3rd the day before our Independence Day. We would attend fireworks at Crane's Roost on July 3rd, at Epcot throughout the year for Illumination's Reflections of Earth, and at our home until the trees were too large to shoot them from the street. Friends

and family would enjoy the show and then the root beer floats and other goodies afterwards.

As Nora stepped away from work in recent years, she developed an interest in providing helpful hints to friends and family as a way to assist others maneuver through their daily life routines. You could always ask for advice or an answer to a question when needed.

Surviving family members include her husband Tim, sisters Judith and Ann and brother-in-laws Chuck Kinyon, Longwood, FL and John Tunderman, Tucson, AZ. Tim has two brothers, John and Matt Wilson including their wives, Rita and Sheril.

With her love and affection to cats, please consider a donation to the Pet Alliance of Greater Orlando in Nora's name. Go to Petallianceorlando.org to the memories and tribute tab and include Nora Trusiak Wilson in the contact information. Or call 407-351-7722 to make a donation by phone.

A future life celebration event will occur for friends and family at a location to be determined. Until then, celebrate Nora's life as those who knew and loved her will forever more. Let the celebration in heaven begin.

“ Our beautiful cousin, Nora, from our visits in New Jersey to visits in Florida, you were always so gracious, loving and thoughtful. Although distance prevented us from being together on a regular basis, you were always in our thoughts and we were looking forward to getting together this coming year. You will forever remain in our hearts and our hope is that memories made with Tim, Judith & Chuck and Ann & John will help us all in the years ahead without your presence. Nora, may you rest in peace.

Love,
Cousin - Gail, David, Jonathan and Lauren

“ My beautiful friend... still seems so surreal. Just so hard to believe you're gone. I lost a sister. We met 25 years ago at work and instantly became family. My heart hurts for me and those of us who will have to go on without you in our lives, but rejoicing that you are in "paradise" and no longer suffering. You were the most selfless person, so giving, always making things more special and just always showed up. You were a very rare gem, my friend. So many precious memories that I will forever treasure. I'm so grateful for the friendship we shared all these years. I hope you knew how much you were loved and how much you will be missed.

Love always,
Linda

“ So many good times with Nora, my best friend of 40 years, we laughed, we cried, we held each other tightly when needed. We attended each other’s weddings, and years later we had the pleasure of her and Tim being there for our sons wedding in Maine. We may of been far away these past 22 years but a phone call was all it took to hear each other’s voices and know that we needed each other in our lives.
You will be missed by me and my family.
If you knew anything about Nora, you just knew and she kept it that way.
Much love to Tim,
Neve

“ It is so sad to learn of Nora’s passing. She fought hard. Nora always loved to cook and bake, and we always loved when she brought food to the office. Sometime in the 1990’s, Nora brought in the most delicious carrot cake. She so kindly gave me her recipe and I’ve kept it all these years. I never made it as well as she did. In memory of Nora, I’m sharing her recipe written by her own hand and that she signed "Enjoy!"

Give it a try and when you do, think of Nora. She’d love knowing that her recipe continues bringing joy to others.

To our friend Tim, you have a long fairway of friends who are hurting with you and who are here for you. You are in our prayers.
