“ *Norma was a tremendous person who always portrayed a positive attitude and humor to all. She was understanding and thoughtful and a joy to have her in our office. Dean Sangalis*

I worked with Norma for Dean Sangalis when the office was located at 7th and Broadway in the old Gary National Bank building. I loved hearing the stories she would tell about raising her 4 sons. She had a wonderful sense of humor and was so much fun to work with. Wish I had kept in touch with her. Barbara Williams Zborowski

“ Grandma Norma was a very special person to me. Mostly because she, first, made me feel special. She would see me or answer my phone call and tell me she was just thinking about you. She made delicious maple syrup pancakes at her home kitchen in Hobart, Indiana, she encouraged me when I was not my best, to look forward to the next try, and brightened up a room with her contagious smile and unique laugh.

"In memory of Grandma, the trunk of my tree, I live my life as her legacy."

Love,
Brad

“ Norma was a key part of my life and a great role model for me throughout the years. She was not only my mother-in-law but my best friend. I enjoyed our many long conversations and giggles. I will miss her dearly and will carry her in my heart always.
