“ My family met Norm and his wife many years ago, attending services at Nativity Church. Norm and Sallie were always so kind to my family, asking the kids about Little League, Babe Ruth baseball, basketball, Daisies and Brownies, school, refereeing and umpiring - you name it. Norm always loved to hear about the boys' adventures in baseball, in particular. He'd share stories with me of his similar memories with his children.

*I think Norm saw me walking a path he had traveled just a few years prior. I could see by his warm smile as we talked how much his family meant to him, and how he wished that same thing for me. Norm was always so warm and kind. I will miss our brief chats before and after service. I will miss you, Norm. God bless you, and I hope to meet you again one day.*

“ Prayers for the whole family, as we celebrate the life of 'Grandpa' Norm. Sending much love to Sallie, their children, and grandchildren. Father & Son (Mark) have been reunited...& one day, all will get to partake in a joyous reunion, as well.
