Mom was the most amazing person that we have ever met and will probably ever meet. She lived and breathed her family. We cannot emphasize this enough. We always came first to her. All our lives, no matter what has been going on, no matter how bad things got, we*

“ *Bernetta & Floyd - Lifelong Friends posted a condolence Going back over the many years, there are so many memories with Raynie but one of our fondest memories were the many coffee chats daily, the way she spoke, her laughter, our parchessi games on Saturday nights. She has been missed ever since we left Florida but she has always remained in our hearts. So our prayers go out to Frank & the family. We will miss her dearly, but she will always remain in our hearts.*

“ Karen Cassidy - Friend of the Family posted a condolence I extend my deepest sympathy to Rainey's family and friends during this time of change and sorrow. I knew Rainey through the long-term relationship between our mothers; and she is interwoven into many memories, especially from childhood. Her mother was, in fact, my god-mother. I recall someone who was energetic, humorous and outspoken--and whose focus and joy was her family. I know she will be missed and suspect that the memories of her persona will be sustained in the hearts and minds of both friends and family.
