“ *One day I hope I will get to hold you again my baby. You would be 12 going on 13 this year. I keep trying to imagine. But I think I'd still see you as my little baby no matter how much you would have grown. Love you.*

“ *Nyasia, my baby, I was just remembering how full of love you were. You were always full of smiles and laughter. You lit up every room you were in. You were loved by everyone that met you since the day you were born... I wish I could talk to you. You would be almost 11 soon, almost all grown up. I miss you so so much. Life will never be as full of joy and laughter as if was when you and your sister were here. I love you, my baby girl.*

“ You are missed Nyasia. In so many ways you made a positive difference in my life. You spread encouragement and happiness to everyone who was lucky enough to call you a friend. Though you were only with us for a short time I am pleased that you lived life to the fullest and touched so many hearts. I know you are decorating heaven with your art.
I am proud to have shared time with you...much love, Mrs. Schmitz
