Born in St. Louis, Missouri to parents James Michael and Isabella Ward (nee Soto) on July 23, 1922; Opal was their only child. “ My dear friends Jim and Lee, I know your Mom was comforted and enjoyed your love and support, especially as she grew old and was dependent. I'm sure your constant care and support, whether she needed help with her home or later with her self, she knew you were always there for her and certainly appreciated everything you did. You went above and beyond - Thank God for you. Later, as it would be, you constantly protected your Mom, gave follow-up care or ensured it was done once she was in the care of others. How many others would have done that. Again, thank God for you. You and Lee went above and beyond. Mom did not suffer long and was loved and isn't that everything at the end.

Love, with my condolences while you get through this difficult time - and time will help, your friend, Susan Summers
