“ Orlando and I worked at Sears and especially since Covid hit we talked almost daily. He was one of the nicest people I've known. I will miss our conversations about kids, workouts and whiskeys. My deepest condolences on your loss. He is truly going to be missed not just as a coworker but a friend.

“ *The first time I met Orlando, he and Danny rode motorcycles to my house to see Jill. All I could say was what a good looking guy. Both he and Danny are very handsome. Every time after that he was always there to give a hug but was the quieter of the two boys. He will be greatly missed by everyone. May God bless each of you and give you peace knowing he was a fighter.
Love you all Tricia and Eddie Cox*

“ I worked with Orlando at Target 27 years ago or so. He was the little push that encouraged my husband and I to start dating. We’ve been married almost 25 years! Such a great man.
