

Paige Kristine Lowman

March 31, 1996 - February 26, 2020

Paige Kristine Lowman, age 23, went to heaven on February 26, 2020. She was a blessing to her parents Joseph and Linda Lowman. She is also survived by grandparents Kenneth and Mayda Baghdoian, aunt Mindy Rasmussen, aunt Lori Summerlin, and great uncle Leo Baghdoian. Ronnetta Stewart and Alice Harris, were her very special caregivers.

Paige was a graduate of Lyman High School and a student artist at Community Art Connection-Northland Church.

In spite of her challenges with cerebral palsy, she had a full life and was full of joy. She had a great sense of humor. Paige was very spiritual and sensed when someone needed a prayer. She had a special gift of lighting up others. Her lipstick and necklaces were very important to her. She loved her iPad, books, music, horseback riding, fast thrill rides, swimming in the ocean, and even parasailing. She had very special friends to share her fun times with including camp.

A memorial service and celebration of life will be held Saturday February 27, 2021 at Mead Botanical Gardens in Winter Park Florida.

In lieu of flowers, donations can be made to

1). CAC Northland a program Paige has been attending for special needs

adults. If you donate, please select "Supporting Community Arts" in the Fund box.

2). YoungLife/Capernaum is another wonderful program that provided Paige and her friends amazing camp opportunities. If you choose to donate, edit donation box to any amount you choose. Designate "Heart of Orlando" and choose "Camp Scholarship". Please do so in memory of Paige so the funds will support scholarships for local campers.

“ I have known Paige, Linda and Joe for most of Paige's life. I have enjoyed our visits and Paige always made the room brighten with her smile. She loved the kisses from her parents and laughed when Dad made a certain sound. Mom provided the lipstick when Paige requested. Paige always looked like a "classy" lady. She will always be in my heart.

“ Our Paige was formidable and tenacious. She was precise and detailed. These characteristics were obvious to me from the first day I met her. Paige would circumvent obstacles to express herself and make her ideas and plans known. What a presence! I was so lucky to have her in my life. Paige taught me so much and I thought I was supposed to be the teacher! Paige will always be part of me.
