“ Dear Sandra - I am so sorry for the loss of your Dad!! Was shocked to see this as I was going to visit my Mom's page! Please know that you, Tanner, Peggy and your entire family will be in my thoughts and prayers! Although I only met your Dad once, he was very sweet, and a real cutie, while I was there cleaning. May he now rest in peace!!! God bless you!!

Pat was a wonderful friend of Mine when he was a citadel cadet. He always wore a big smile on his face and had a kind word for everyone. He attended the trinity methodist church. Although I have not see or talked to him in years. I will always remember the friendship we had. My condolences to his beloved family. I know you will miss him terribly.
