“ *Lisa Benford - Nurse- Ed White posted a condolence Darrell and family, I send my love and prayers to your family, your mom was a very special lady with kind, gentle caring heart. In the short time that I worked with Pat and all of you she made such an impression on me. She could not have had a more loving supportive family by her side. Pat will always hold a special place in my heart. God bless you.*

“ *Joann Hummer Haugen - MPH Classmate posted a condolence Darrel, Sally, Susan and Family. I am so sorry to hear of Pat's passing. I have so many fond memories of her in school and the many years we worked together in the OR after graduation. I wasn't going to be there when she got married, so she asked me to go with her to get her wedding dress. We had such a good time!! May God bless you all in the dayd ahead.*

“ *Betty Keith - classmate MPH posted a condolence My condolences, Darrell and family. Pat was in my class at MPH and a graduate of SPHS. We were in different groups and even though she worked at ACH she was not in patient care at that time. WE haven't seen each other for several years. Time passes so quickly that this is another reminder to cherish each day. May God give you peace especially in this holiday season.*
