“ Miss Pat was a very important part of our kids early years especially Daniel. When I think of the love and family environment that she and the entire Boyer family created for my kids I am forever grateful. I know she will be missed and we send our sincere condolences and prayers for peace for the whole Boyer family.

“ You were always such a loving, caring, Godly woman. I couldn't of asked for a better mother-in-law or grandparent for our kids. You taught your kids and grandkids that Jesus should be first in their lives. I am thankful that God brought you into my life. You will be missed more than words could ever say. There is an empty spot that will only be filled when we see you again in heaven. It's not goodbye, it's just see ya later! Love you so much MeMe!
