

Patricia George Johnson

September 10, 1949 - June 9, 2020

Patricia George Johnson, 70

Patty loved life and wasn't afraid of anything. She enjoyed travel, cruising, camping and fishing. She loved to see and visit new places and to meet new people. She was afraid of heights so when she saw the Grand Canyon, she wouldn't get out of the car to see into the canyon. She was a wonderful mother to her two sons Danny and Bob. Sittie loved her grandchildren and enjoyed all of their activities, sports and everything they did. She was the greatest thing that ever happened to her husband of 50 years – she completed him.

Patty and Terry eloped in 1970 (same thing her mother and father had done) and had a wonderful marriage. Her nickname was "Stormalong". About six months into their marriage she blew up at Terry, listing in chronological order everything she was not happy with – she blew up like a storm, hence the nickname "Stormalong".

Patty was a very special person; she could put people at ease and make them feel comfortable. Patty had a wonderful smile and she lit up the room with it. She was a great cook and made the best apple pies, all from scratch. We will miss them because they were always made for birthdays, instead of cakes, and for all of the holidays.

Patty worked in the guidance department at Walker Middle School and Dr. Phillips High School. After Terry opened his engineering practice Patty worked with him. Patty was a mother to all the engineers and made work seem more like home. She never forgot birthdays and was always ready with a hug and a kiss and a box of cupcakes.

She was the youngest of three children born to William R. George and Alice S. George. Patty was very proud of her Lebanese heritage. All four of her grandparents emigrated to the United States in the early 1900's.

She is survived by her brother Dr. William R. George II (Lynda) and her sister Louise Bohné (Mark). She was born on September 10, 1949 in West Palm Beach, Florida and grew up in Delray Beach, Florida.

Patty passed away peacefully on June 9, 2020. She leaves behind her beloved husband Terry, sons James Daniel Johnson and Robert George Johnson and his wife Blanca and grandchildren Isabel, Bobby Jr. and Luke. She had great love for all of her cousins and her nieces and nephews. She was cherished and loved by her family and will surely be missed.

“ Dearest Terry, Danny & Bobby, I am just so stunned by this. She was always so loving and kind to me. Once, when we had a family get together at Uncle Bill's & Aunt Alice's, I remember bringing a magic kit I received for Christmas and Terry was making it hard for me because he knew how every trick was done, so Patty gave him a good shot in the arm for me to straighten him up, lol. She always made me feel welcomed with a hug and a smile when I saw her. She will truly be missed by everyone. May her soul rest in peace next to God in Heaven. She will always be in my heart.
With all my love, Lisa & Peter Rouviere

“ Our sincere sympathy to the Johnson-George Family. Our thoughts and prayers are with all during this difficult time, especially to Terry, her beloved husband of 50 years, her son Bob (Blanquita, and grandchildren Isabel, Bobby, Luke), and her other son Danny.

We loved and we are missing Patty, and always will treasure the time we shared together as a family: the Christmas and Thanksgiving dinners at Bob & Blanquita home, the vacations trips, the Grandparents Days, and the games with our grandchildren. I will miss her greatly at Sunday Mass in Holy Family Church each week. We became family and close friends when our daughter Blanquita marries her son Bob 19 years ago.

Her passing is very sad to us, but at the same time joyous because we know that she is with Our Lord that called her Home. She is not suffering any more from her sickness.

May God love and comfort bring peace to all her family and friends. We are really missing her beautiful smile and caring touch. Until we see you again, dear friend.
