Patricia Ann (Firn) Olive

She married James Milton Olive on February 8th, 1957. She loved her husband with all of her being and was a devoted wife. She loved him so much she married him 3 times.

Together they had 6 children.....Steve, Mickie, Michael, Robin, Billy, Bobby and, each child believed they were her favorite!!! She adored her 10 grand babies and 7 great-grand babies.

We never knew what mom did for a living but has always told us she worked for the CIA but would never tell us what she did for them. In actuality she worked for the Veterans Administration as Chief of Staff/Administrator where she retired from. Taking care of Veterans was one of her many passions. She also enjoyed Golfing, antique and second hand shopping and, had a “thing” for everything cows.

She was an elegant dresser, her hair always in place and wouldn't even consider being seen without her lipstick!!! She had a way of speaking that made you feel valued and cared for even if it was a difficult subject.

If there is one thing you should know about our mom is that she was a COOL MOM. She was incredible!!! She was goofy, silly, had a great sense of humor and did not hesitate to show her love for you. She was very much a family oriented person. She was the neighborhood mom who fed everyone, welcomed everyone, after all what's one more.

DON'T CALL HER PATTY ANN...
