May 20, 1947 - June 22, 2020

Patricia (Patty) Ann Trucchio, age 73, of Orlando, Florida, passed away Monday, June 22, 2020 at Health Central, Ocoee.

She was born May 20th, 1947, in Alton, Illinois, the daughter of the late Florence Emmons and Lorin Showalter.

To know Patty was to love Patty, she was a fun-loving free spirit. She lived her life filled with love for her family and dogs. She made the world a better place for her grandkids through her love of story telling, her humor (mostly inappropriate), and generosity. Nana was a great cheerleader. She always said, "Everyone that knows you, loves you." This will be engraved in our hearts forever. She was loved by all and will be painfully missed by her family.

She is survived by her husband Charles Trucchio; 2 sisters Gwen Cate and Linda Purkhiser of Frankfort, KY; 2 sons and daughter-in-laws, Steven and Mary Lemos of Pembroke Pines, FL and Michael and Debra Lemos of Winter Garden, FL; 1 Step-son and daughter-in-law, Shane and Kelly Trucchio and 8 grandchildren Amber, Alexis, and Michael of Winter Garden, FL; Alex and Nicole of Pembroke Pines, FL; Joshua, Rocco, and Kiki of Miami, FL.

Per Patricia's request there will be no viewing or service.

“ *Happy, smiling, dancing is how we remember Patty. With all her illness, every Christmas she would send a small gift over with Mike and Deb to let us know she was thinking of us. If you met her for the first time, you felt like she was a best friend. We will remember her fondly, we were lucky to have known such a sweet lady. She will be missed!!*

“ I can still see that sweet little smirk that she would give when she would whisper one of those curious questions. I can still hear her voice asking about how the kids are doing. I can still clearly remember from many years back the conversations we would have about life. She is like another mom to me in so many ways, she always wanted to make sure I was ok. Truly one of the most caring soles on the earth. She is one of those special people that just found a way to occupy a space in your heart (and your pets), and she would not take no for an answer. Patty is not gone and will never be forgotten, she just did what her free spirit has done many times, she went on a new journey. I will see you when it's time for my next journey Patty!

“ I believe in was 1970 I was 6 years old visiting my grandparents, Uncle Steve and Aunt Pat in Florida. I remember waking up to my beautiful Aunt with giant rollers in her gorgeous blonde hair she was dancing with a spatula in her hand in front of the stove making flap jacks. I remember thinking she was such a fun grown up!! She knew how to make everyone smile. RIP Aunt Pat Heaven is in for a treat!
