“ *I first met Patti when I started volunteering at Health Central Hospital, we had the same days Mondays and Wednesdays. We became very good friends from then on .I loved her sense of humor ,the way she was always so upbeat. Her arthritic problems were never discussed as she did not feel it was a problem. We never stopped talking when we were together and laughed out loud at lunch time that we had everybody around us chuckling too. I will miss you my dear friend, you made coming to volunteer a pleasure. May God wrap you in his arms and become the very special angel that you were on earth*

“ Dear Sister Cindy & family,

I/we are so sorry for the loss of Miss Patti. She was so funny and sweet. I'll never forget when she visited our family and kids with Cindy in Coon Rapids, MN a few years ago around Christmastime. She even remembered gifts for my kids and shared stories with us. She was a true servant of the lord and as an RN, I can really appreciate all her hours of volunteer service at the hospital...wow what a commitment! She made a difference in many lives, I can assure you, of patients and staff alike. We were so glad to hear of a peaceful, beautiful passing for such a treasured soul. No more aches, no more pain, just beauty for Miss Patti. With all the love, Kallie, Ben, Keagan, Kaylin Graham & Terry Brown.
