“ *I am sorry about the loss of Pat, who always smiled at me at the Y when I'd see him and Pam exercising. I did not know him well but always appreciated his calling me by name. We were members of the same parish in Winter Park but never saw each other there. My condolences to Pam and the family.....May eternal light shine upon him. Jerry Schiffhorst*

“ I grew up spending many days at Hayley's nana and papa's house by the lake. I have so many happy memories tubing on the boat, swimming in the pool, and sitting out on the patio talking with family and friends on holidays and summer evenings. Pat was the most gentle and hilarious spirit and I am so honored and blessed that I got to know him in my life. He leaves behind the best family I know, which is a testament to the amazing father, papa, and person he was. You will be dearly missed and never forgotten. Give my mama a big hug for me in heaven <3 Rest In Peace

Love,
Nicole Campbell

“ My family had the good fortune of meeting "Uncle Pat" back in 1998 and from then on he became a member of the Dekle family in Mobile, AL. In the early years, every time Uncle Pat (the only name my two girls know him by) came to Mobile, we would have him over to our home and he would listen very patiently as my girls (Kendal and Casey) practiced their reading skills on him. His favorite restaurant was the Big Time Diner and we always ate there. As time passed, my girls grew up, Uncle Pat always made them a priority and took an interest in their life progress. Pat was a dear friend whom I could share stories with and who always took the time to listen. I know of no one who bragged on his family more than Uncle Pat. His family was his life and we feel fortunate that he let us spend time with them whenever we visited Apopka. We will miss you "Uncle Pat"!
