“ I had not heard from Patrick in so long and was thinking of him tonight. Looking on the internet I found this memorial. I know this was the Patrick that I assisted in getting a job at Florida Hospital many years ago. We became good friends for many years. This past year I have had many life changes and didn't get a chance to connect with Patrick. If any family members of Patrick could contact me, I would greatly appreciate it. Patrick was dear to me. My phone number is(407) 620-0297. Thank you, Judy Bond.

“ My condolences to the family. I will miss Patrick. I had the pleasure of working with him for 20 yrs at CIL and he kept in contact after I retired. He leaves a big void and was a wonderful person. Margarita Ortiz Sanford FI

“ *To Patrick's Family.... I would like to express my sincere sympathy to you all on the lost of Patrick.*

I met Patrick through my daughter Sandy. She was his neighbor who lived down the hall from him. Whenever I would come to visit her, Patrick would always ask me how I was feeling that day and how things were going. He was such a "polite" and "good" person to know. He will be missed!!

May God Bless Him....andMay He Rest In Peace

Sincerely,

“ *Patrick was a very nice guy. I was his neighbor just a few apts down the hall from him. Every time I left my apt, I would pass his apt. He was the first one to welcome me as I was moving in to my apartment down the hall from Patrick. I remember how he always liked to sit outside on the front porch chatting with his fellow neighbors and always greeted everyone who would be coming or leaving the apartments. He always seemed to be busy doing things from volunteering to enjoying time with his friends at Starbucks. I always admired how he enjoyed Signing (ASL) at the 10am Mass. I will truly miss him and cherish the moments I shared with him. May God Welcome Patrick into His Heavenly Arms and Let Perpetual Light Shine Upon Him. RIP Patrick. You'll truly be missed. 💔😭*
