“ *Patrina and I became close during middle school. I would often stay at her house and we would laugh all night. My favorite memory is when I went to Disney for a summer vacation. While I was at the water park, I jumped in the water and landed right on someone! I looked up to apologize and it was PATRINA! Neither of us had mentioned we were going to Disney. We had such a laugh!!*

“ *Patrina meant so much to so many. The impact she had on her friends, family and community will never be forgotten. Thoughts and prayers are with her family during this very difficult time. Patrina was a very dear friend to me and will be sadly missed.*
