“ Rachel, Ray, Meghan, Aiden: I have over fifty years of memories of Patty and cannot limit it to one or two. She was a special friend, especially to me. As teachers we shared many stories and opinions of how best to serve the students we taught Also we shared many thoughts about our own children and grandkids. We read many of them same books, watched many of the same shows and did some traveling together. (Asheville, New Smyrna) Fifty years of ADK gave us wonderful times with our Sisters, helping the students of Seminole County and supporting our fellow teachers! And Patty’s main focus was always to love and take care of her family! I will miss her and treasure my memories.

Love, Diane Groover ❤️🙏

“ Will forever cherish the memories of our friendship that started at Seminole High School in Sanford back in the '60's. After Patty went away to Tift College, I would spent many nights with her mom, Wendy...who became a dear friend.
