“ I’m so sorry to hear this. I worked with Paul and Linda on the Friendship boats at Epcot. We called him Uncle Paul.

I have a lot of fond memories with the two of them.

My thoughts and prayers are with his family. I’m grateful to have known him.

“ *We are so sad to hear of Paul's passing. We regret not being able to enjoy his presence more often than we could as he was always a joy to be around. He loved life, really enjoyed it and lived it to the max. While visiting our family in Lewiston he would be up at dawn, out and about having coffee and conversation at the local Dunkin Donuts. Once while visiting at Belgrade camps he came to be known as Mr. Gadget. He always had the latest gadgets such as a novel wrist watch, bug zapper, short wave radio or police scanner and was always happy to show us his latest acquisition. There were many times that Dan would buy the same item. (Still has his panasonic short wave radio). He always looked forward to getting a Sam's italian sandwich and homemade meatballs with Luiggi's sauce. We wished that we could of had more time together, the summer visits were a treat but far too short.*

*Rest in Peace Paul,
Love Dan and Denise*

“ *Paul was one of a kind. Lived life with passion, lived his family dearly and was a faithful friend. Best memory among many was our fateful salmon falls river canoe trip. God bless him. God bless the family. Much sympathy and love from Richard and Pat.*
