“ We express our sympathy in the loss of your Mom. Your grandpa Carl was my grandpa's(Paul Burandt-Chgo, IL) nephew. When we were kids (so I am down the chain in the cousin line) we made some family visits to their house in Riverside, IL. I remember your mom always being so happy & cheerful, so her catering business was the perfect fit for her. She touched and brought happiness to so many lives. May you feel God's comforting arms around you at this time. A favorite Bible Verse we like to share and hope it will give you peace of mind is: Rom 8:28-We know that all things work together for good to those who love God and are called according to his purpose. She finished her race and has obtained the ultimate Christian Reward...Eternal Life with her Lord & Savior.

God Bless  
Sincerely,

“ Paula loved to cook just like her mom, making fancy cakes and she loved to decorate. I remember too that she liked gardening and she loved birds. Growing up, all the cousins got together on birthdays and holidays. We even had fun ice skating in the backyard in Riverside. She will be missed. Cousin Cheryl and husband Norm

“ Paula and I spent many happy times together playing board game. You know Monopoly, checkers, Clue, Sorry. She always complained that I was cheating, but she never knew how. Well Paula the one game I cheated at was Clue.

As we got older she settles in Florida and I travel around the country because of job transfers. Then we found each other again with the internet. So that and a few phone calls during the year we stayed connected. Because I had no sisters our relationship was more like brother and sister.

After I retired I took up baking and she and I would exchange recipies.

We got to see Paula and Bob during several vacations in FL. and she was a warm and caring person.

We'll miss you because you were a special and loving person!
