“ *Fran - Daughter posted a condolence Mom will be missed by all her friends and family. I do not think there is any other woman that knew how to handle any situation that was handed to her. We will really miss her.*

“ *Barb Kent - friend of Pauline's daughter posted a condolence I didn't know Pauline very well, but her daughter Fran Soltis works with me. Pauline's legacy will live on in Fran Soltis' family. They are a close-knit, hard-working, honest, caring family that takes care of their own and everyone else they meet. It is a privilege to know Pauline's family -- she did a wonderful job raising her family. We'll miss her. Love Barb and the Buy-Gones gals.*

“ *Celeste Onka - Friend of Family posted a condolence I first met Pauline when I began 4th grade in the public school system. One of my dearest friends (and occasional boyfriend) was her son, Joey. We had a small special group of friends that hung around together...and just had a lot of good, clean, fun. Joey was my prom date in College...We continue to stay in contact via emails and phone calls. Joey has been a good friend to me and an even greater son to his mom. He spent many years caring for his mom...that dedication will be rewarded. Maybe not on earth but in heaven. My deepest sympathy to my friend Joey and his family.*
