“ *I am so sorry for your loss.
I just meet Rosi and Pedro one time and we became friends right away.
Both touched my life and it did not take long either.
We meet and all stayed at Atlanta hospitality house that one week in Atlanta, Ga. When I had to be there to have back surgeries.
I could see they loved God and those around them!
I am praying for the family. Philippians 4:13 can give you comfort.

“ *When I met Rosa and Pedro we all felt a spiritual connection.
Whenever I needed them they would come with the stage truck and support spirit of joy. Not only did he care about his community they cared about every community. Whenever I needed them, they said “yes”. Thank you Lord for such a wonderful man and a wonderful Rosa ! May God bless and keep the Marti family during this time!!
