“ Peggy was and will always be one of the most amazing friends you could ever ask for. She was the kindest friend that always listened and showed you how to take the right road. She was always willing to help people when they needed it, sometimes even with a tough love to get you to pay attention. She is going to be missed so much by a lot of people. I will see you in heaven soon my friend. I Love You forever and always 🥰

*I waited a couple of days to write on your page Peggy, it wasn't sure I could but you deserve to be honored and that's exactly what I will do ,I've done you practically my whole life I was 10 years old that's also when I met Kelly ,remember the first day I when to your home on Bear Lake Rd and there you were not knowing that Kelly would become my best friend and you would become like a mother to me,I saw you and thought this lady is so beautiful you were a knock out,your laughter was so beautiful and you just smiled at me and at that moment you took me in ,you always opened your homes to me ,you fed me ,you checked on me and Kelly when we were sleeping cause I could feel you,you took me on trips and you would always come and get me so I could spend the nite with Kelly ,you fed us breakfast in the mornings and just sit with us and talk your home was full of love and it was a real family and you always made me a part of the Simpson household,it's been 50 years I turned 61 on the day you passed Oct 22nd and when I found out I lost my breath and I just cried ,you literally reached out to me so that we could talk on the phone months before your passing ,you wanted me to know you loved me like crazy and that you would be dieing and didn't know how much time you had left ,I wanted to just hold you and be with you but that couldn't happen as I live far away at that moment ,but I was holding on to every word and I was holding on to you tight ,you told me you were always proud of me and loved me like a daughter always and that if you didn't answer my f.b. post it was because you were to sick to do so or had passed on you wanted me to know that,I'm miss you Peggy and my heart is full of 50 years worth of many memories ,you loved each and everyone of your children and when to the moon and back for them you were a great mom and a great grandmother and great grandmother s friend to many and a mom to many of us I will love you forever my heart sits heavy thank you for always loving me Rest in peace Peggy fly like the angel you are forever in my heart sincerely Grace Dellatto.*
