

Peggy Jo Brice

August 4, 1943 - December 9, 2018

Peggy Jo Brice, age 75 of Orlando, Florida passed away Sunday night of December 9, 2018 surrounded by her family at Florida Hospital after a brief illness. She was born Peggy Jo Viands on August 4th, 1943 in Luray, Virginia to the late Irving Francis Viands and Evelyn Caroline Ridley. The family moved from Luray to Orlando, Florida shortly after her birth and Peggy grew up in Orlando. Peggy graduated from Edgewater High in 1961 and, she began her work career at Martin Marietta (now Lockheed Martin) as an executive assistant until 1969. In 1970, she began her legal assistant career working for her beloved mentor and friend J.C. Stone, who became The Honorable J.C. Stone until 1986. She then served the state of Florida in the judicial system until her retirement 2016. Her last position prior to her retirement was the Judicial Assistant for the 9th Judicial Circuit, and she loved her colleagues and her work.

Peggy was known as Aunt Peggy to many and was loved and cherished by her late husband, her sister, her aunts and uncles, her cousins, her sons and her nieces. She was fun loving and never met a roller coaster or go kart she would not ride with her nieces. She was spontaneous and loved experiencing life to the fullest, and even joined her sister's family on a cruise with just the clothes on her back when she and her husband were dropping the family off at the cruise terminal. She loved taking family and friends out to nice restaurants to share dinner, laughs and wine. She and her only sibling shared a birthday, and her sister, Gloria thought she

was the best birthday present she ever received. Although she is still with us in spirit, she is missed terribly by all.

She is survived by her sons, Steven Majowitz of Orlando and Daryl Marowitz (Alyssa) of Enid, Oklahoma, her sister Gloria Lineberger of Williamsburg, VA and nieces and nephew, Todd Lineberger (Nancy), Lisa Garcez (Joe), and Shari Lineberger. She is also survived by great nieces, great nephews and grandchildren.

A celebration of Peggy's life will be held at Leu Gardens, on Sunday, April 14th from 11:30 to 12:30 with her final internment on Monday, April 15th at Florida National Cemetery at Bushnell at 2:00. In lieu of flowers memorials may be made to the American Heart Association in Peggy's name.

Arrangements are entrusted to DeGusipe Funeral Home & Crematory. 407-695-CARE(2273)
