“Pete made every campout meal tasty and always had something funny to say. I don't ever remember him calling me by verlene, my name for him was trouble, I never caused trouble but I was stuck with it. I love you Pete and can't wait to eat with you in heaven. Love to all the family.

“Aunt Nola,  
You are in my thoughts and prayers during this special time as you say good-bye to your soul mate. I loved going to your place and the many social outings you and Uncle Pete would create for our Kress Church family. The fond memories you've created just in my heart alone are so many and to think of all the many lives you've been a part of over the years just amazes me! My love and prayers go out to you and the boys as you celebrate his amazing life! God bless you all...wish so much that I could be there with you all and enjoy another burger and visit!

*My love and aloha to you all!

“ I was lucky enough to have the best father-in-law in the whole world. I knew Pete for almost 19 years -- longer than I knew my own dad, who passed when I was 16. Pete was more like a second father to me than a father-in-law. He was a very funny, caring, compassionate, inspiring man. I feel honored to have been a part of his life. I will miss him very much, but he will always be in my heart. Sleep well, Pete, until we are all together again.

Pete, one of God's sons who was a friend to everyone. We were so blessed to know him, to go camping with Nola and Pete, and to send our girls with the Anderson's and Kress Pathfinders to Colorado. Pete and Nola treated all the Pathfinders as their own 'extra kids'. Nola we love you, miss you, and pray for you and your family that God will give you strength for each day. We look forward to heaven and exploring it all together. Jim & Mary Smeenge

Dear Nola,  
What privilege to have been involved with you and Pete over the years. Pete' Burgers are legendary. The "church picnics" and corn roasts will always be fond memories for me and my family. May God comfort you and your family as we await our Lords return. Bob, Cindy and David Read
