“ Peter you were my best friend in high school and for many years. I'm sorry when I got arrested I never contacted you. I had no idea you passed until your mom found my info and wrote me a letter. I spent 2015 until 2023 thinking about you. I miss you

I got taken away to federal prison in 2014 and never told him, just ghosted him, and I didn't know for a long time he passed. I wish I could have been there. Miss this dude

“ Peter was a great guy. He was always smiling and was very wise. His ways of thinking was definitely different and his imagination was one of a kind

“ I am so sorry for your loss... I was friends with Peter a while back when he was a senior in high school. I was just a freshman but he really watched out for me and I will always appreciate it. It meant a lot. He often shared his ideas and I remember listening to all his stories. He really was funny and I can remember him always smiling. It breaks my heart, but he really did have a positive influence on the rest of my life. A quote I remember especially well, was he would repeat "But soft what light through yonder window breaks?". I will always be thankful for knowing him.

I had a blast with Peter our senior year too! We would always come in late because I would pick him up and get and we would get stuck watching Saved by the Bell reruns! We didn't always come back from senior lunch but we always had a great time. I miss my brother. RIP Peter.
