Even when he was sick, when I would call the house, he always sounded so happy to hear from me, and never failed to ask after me. He was such a wonderful man, and someone I will miss dearly. Say hi to Mom and Dad for me Pete, and rest in peace.*

“ My dad passed quickly Tuesday morning in his recliner with his remote control, Fox News Channel, and his family at his side. He had his faults like all of us but we always knew he loved his wife, family, grandchildren, and his grand dog Ringo. He was a teacher, a friend, a Marine, a coworker, and a lot of things to a lot of people but to me most of all he was my dad. He was a fighter and a very proud man until the end. Every day I'm trying to fight to keep going but more than anything I'm proud to be your son. Rest in peace dad I love you...

Pete....I can never forget the good times we shared while working in the Wind Tunnel at Boeing. Also, the way you would raise hell with those ENGLISH designers and engineers about their poor work ethics and lack of personal hygiene. you will be missed "Old Buddy". Rest in peace. Pat and I would like to extend our condolences to Jay , Louis, Michael for your loss. We will all miss Pete and you are in our thoughts and prayers.
