“ Philip was very special person and a good friend with his lovely wife to our family.

We have our memories of all the good times we had together.

Now in heaven Al and Philip are having the best of time, neither are in pain anymore.

You have a special place in our hearts.

“ Blessed to have known Philip for a short time. But blessed more to have his wife as my friend. May the God who gives us life and love and hope guide her through this time and bring her peace as she knows Philip is with the Lord. No more pain - peace. Blessings and love, Diane Awbrey
