“ Uncle Phil will be missed by all. I'll think of him every time I walk into a casino or hear a Beach Boys song. Am I the only one who think he looked like one of the Beach Boys?? I'll also miss his flip flops. Rest in peace Uncle Phil.

“ Dear Nicole & Skye, my sincerest condolences on your loss. Phil was not only my best friend; he was like a brother to me since my husband passed. Phil had a heart of gold and there are so many here in Apopka that have been blessed by having him in their lives. He gave so much of himself whenever needed and never wanted anything in return. Through the years I have had the privilege of seeing all the pictures of you both and heard the pride in his voice when he told me of what was happening in your lives. I know that he loved you both so much. Physically Phil is gone; but we carry a part of him in our hearts. I pray that you both find peace from the pain of losing him.

“ Uncle Phil will be truly missed. I have so many fond memories of him. Uncle Les and him would play all kinds of games and entertain me and my brothers and sisters when we were children. My favorite was when they were should up at the house at night to go sledding with us. I remember him always having a smile on his face. He was always so much fun to be around. Rest in peace Uncle Phil.

“ Dear Nicole, We are so sorry to learn of your father Phil's passing and regret never having the chance to meet him. It is most painful to lose a parent, perhaps, in part, because you are also losing a piece of your future with them and a sharing of the past. Please know that we are thinking of you and Skye and hope to give you hugs soon. Sending our sympathies to you and all your family. Much love.

“ My big brother is out there fishing, telling jokes, and being the most charming, charismatic life force that anyone could imagine. He called me Ett.....he made me laugh....he was truly "one of a kind" and we will all miss him more than words can say.

“ Phil, It's too bad I never got to meet you in person, but I know you had a profound affect on your loving daughter who I adore. I've laughed at many of your messages and I'm sure you will continue to make us laugh for years to come. Rest in peace, Phil.

“ Dear friends and family,  
Thank you to all whom meant so much to my father, Phil. I will miss him dearly. I can't imagine that I won't be receiving his phone calls every weekend, that I won't hear another 'dirty' joke from him, or that I won't be able to take him on rides on the golf cart at Uncle Les'. He said I was a bad driver! hahaha. I know he will be missed by all.
