

Philip M. Riffe

September 3, 1945 - September 3, 1945

Philip Michael “Mike” Riffe (79) of Orlando passed away peacefully at home on June 3, 2025.

Mike is survived by his three children: Kelly Riffe Harris (Robert) of Gulfport, Mississippi, Mike Riffe and Webb Riffe-both of Jupiter, FL. Mike is also survived by his four grandchildren, Taylor Turner, Parker Turner (Caroline), Bradley Turner, and Mary Gray Turner. In addition, he leaves behind his sister Cairn Riffe Ustler, his niece Amy Simpson Condon (Chris) and his great nieces, Elise and Sydney, all of Orlando. He is also survived by his sister-in-law, Willa Webber White and nephew Chris White, both of Birmingham.

He is predeceased by his wife, Olivia Webber Riffe.

Mike was born and raised in Winter Park, graduated from Bishop Moore and Florida State University where he was a member of Phi Delta Theta fraternity. Mike served in the Army from 1969-1971, and was stationed in Korea for two years. He and Olivia raised their children in Palm Beach Gardens, FL, where Mike worked for Georgia-Pacific. He also worked for Georgia-Pacific in Orlando and in Atlanta in his 30 year career with them. He made lifelong friends of colleagues and customers all over Florida and beyond. He considered all of his friends his family.

Mike loved golf, a good joke, his family, his faith, and his FSU Seminoles- not necessarily in that order. He never met a stranger, had the most generous heart, and loved a good time! His sense of humor is legendary and he will be greatly missed.

A Memorial Mass will be offered at a later date. Mike would rather you do something nice for someone in need- a donation, a meal, or a new pair of shoes rather than send flowers. Share his funny stories and jokes and remember the good times! Go Noles!

“ We all loved Mike. There are too many stories to tell. But you might not know this one. Summer of 1972 we had a new baby girl, Spike graduated from Florida and was looking for a job. He stopped in to say hello to Mike and he told him GP was hiring. Started work the next week. So Mike was responsible for Spike's career. You can't think about Mike without smiling. He had a quick and great laugh and always a new joke. Love to you all, Julie and Spike
