“ Phyllis we shared so many beautiful, fun, and difficult memories together, having you in my life since I arrived to live in Miami was very special. You and Roland saw me become an American citizen, and cheered me on, as I waved my flag.  
Covid stopped our visits to see you, but we were always able to talk on the phone, and share what had been happening in our lives.  
Losing you is very hard, it will bring a void that won't be filled so until we meet again my dearest friend, RIP back in your husbands arms.  
Love you very much, and thank you for being my friend, and confidant  
Lots of love, hugs, and kisses from the Brit, Carol xxxxx
