“ I work with Kathy, Mrs. Aponte's daughter in-law. She always spoke well of the senior Mrs. Aponte and told me how she had traveled to so many fascinating countries when her husband was in the service. It sounds like her family must have had quite a few adventures when her kids were growing up. There's a lot of love in the Aponte family and I'm sure that great memories, cherished photographs, and sharing stories will give them strength in the days to come. Pilar Aponte will be sorely missed but how wonderful to have had such a long and active life spent with the ones who loved her so much. My thoughts and prayers are with you all.
