“ Pradeep and his wife have been our family friend for many years, here in Florida. He was a very kind and a humble human being. He was fun to be around in parties. In our social meets, he used to amuse us by his Hindi songs, Hindi Kavithas (poems), Urdu Shaayari (couplets). He was also a deeply spiritual man. He will be much missed. We pray Bhagwan for him to attain Sathgathi/ the Lotus Feet of the Lord.

“ Pradeep was one of the kindest people I know. He was compassionate and caring. He truly made work life pleasant.. from the dancing at every party, bringing the best food to potlucks, sharing his cultural, giving great advice & creating many laughs. This will always be dear to me and how I remember Pradeep.

My deepest condolences to Pradeep's loved ones. I am forever grateful to have known such a great and beautiful soul.

“ I am going to missed Pradeep very much. He was a very kind, honest and hardworking man who loved his job and talked with fondness about all his years working with GSG, he will go around the office almost every morning, saying Good Morning and spreading joy, always making fun of something, and telling stories. I used to "annoyed" him asking all the time for money from our projects, and he will be "mad" saying " I gave you money yesterday, you accountants" all in a good laugh.

When I came to work with GSG, almost 3 years ago, he was very welcoming and make feel part of the office immediately. He also pampered us with sweet and milk cakes, sharing his beloved Indian culture with us. It was great working with Pradeep. I considered him not just a coworker but a friend.

My deepest sympathy and heartfelt condolences for his beloved family during this difficult time.

“ My fondest memory of my dear friend and co-worker Pradeep was his strong character, determination and love for his job and family. My first interaction with Pradeep was when he came to GSG several years ago looking for a job. I explained to him that I didn't have a job at that time and for him to come back in 3 weeks. In 3 weeks he came back to my office and I explained again that I still didn't have a position but to come back in 3 weeks.

In 3 weeks Pradeep was in my office again! At each of the three interviews, he continued to convince me that he was a loyal , hard working and honest person At that point I knew Pradeep would be an asset to any company. He was a great employee for Govenment Services Goup and I know he will be missed. My wife and I had the pleasure of meeting Pradeep's family. It was an honor to be invited to Pradeep's sons wedding a few years ago. My wife Judy and I extend our condolences , love and prayers to Kitty and Pradeep's family.

May the memories of this wonderful man comfort you all.
